Key Information & Notes

Orders will be processed on 4 Bank Holidays per year, Easter Monday, Early May, Late May (Summer) and August Bank Holidays and will be delivered on the next scheduled delivery day, as per the schedule above. Deliveries will also be made on these days within the M25 for orders received the previous working day unless advised otherwise.

- Charges do not include VAT which will be added to the invoice at the rate ruling at the date of invoice.
- Cases containing 6 litres or less will be charged by halving the quantity of cases and rounding up to the nearest chargeable case.
i.e. 2 x 6 litre cases or less = 1 x chargeable case, 1 x 6 litre case or less = 1 x chargeable case and 7 x 6 litre cases or less = 4 x chargeable cases. A chargeable case is 1 x 9 litre equivalent case (12 x 75cl).
- The above charges are based upon orders being loaded on to a single vehicle.
- Orders not received by the order deadline will be deemed to have been received the following working day.
- The above delivery days do not apply for orders in excess of 90 dozen or requiring a booking which will be delivered at the earliest opportunity.
- Additional charges may apply if delivery instructions incur LCB in any extra costs e.g. Specified vehicle size, two man delivery, out of hours delivery times or single products per pallet.
- Duty Free orders may require an additional 24 hours processing time to comply with HMRC regulations. These deliveries will be made on the next scheduled delivery day.
- Refusals and redeliveries will be charged at these rates.
- Goods requiring collection from customers' premises will be charged as per the delivery rates regardless of whether a delivery is made at the same time. Goods must be packaged adequately and have their contents clearly labelled.
- LCB will always use their best endeavours to adhere to published delivery days. However, we cannot accept any liability for missed deliveries and must reserve the right to alter delivery days without notice.
- Customers can request timed deliveries consisting of a three hour window in England, Wales, and central belt of Scotland which LCB will make best endeavours to adhere to but cannot be guaranteed. All other areas require an all day delivery window as deliveries will be performed by third party companies.
- All goods are carried under the current terms and conditions of The Road Haulage Association.
- Prices remain firm until 31st August 2018 subject to Government fiscal changes and fuel prices remaining within projected parameters.
- LCB will only hold the PODs/Epods(Proof of Delivery) for a maximum of 24 months from the point of delivery/collection. All PODs/Epods will be available on the VCIS during this period
